Web-Dev

Experience

Quick Digitals (MAY 2024 - NOV 2024)

Wordpress Developer

I worked as a WordPress Developer at Quick Digitals for six months, where I developed and customized websites. During my time there, I also gained basic experience in SEO, optimizing website performance and improving search engine visibility to enhance online presence.

Mega Hunt (SEP 2023 - FEB 2024)

SEO Internee

I worked for 6 months at Mega Hunt, a startup company, where I served as an SEO and WordPress intern. During this time, I gained extensive experience in website optimization, content management, and enhancing site visibility.

About Me

I am 19-year-old single Pakistani male, with a strong commitment to my Islamic faith. I am passionate about fitness and spend much of my time at the gym, focusing on personal growth and well-being.
